

# ANAESTHETIC DRUG TROLLEY

### **Anesthesia Cart With Armor Bumper Design**

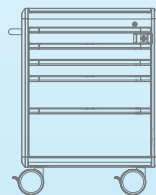

Anesthesia Cart takes medication sorting and drug control into consideration. This cart is equipped with functions to sort and organize sedatives, analgesics, and devices required for anesthesiologists during surgeries or other medical procedure. This Series features particularly a uniform design language transformed to an aluminum structure wrapped around the cart body as an armor to resist bumping during operation.

## Features

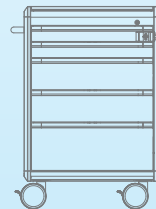

Built with steel and aluminum to increase durability and lifespan.

2. Impact resistant All-around Aluminum Bumper.
3. Both left and right Slide-out Work Surfaces.
4. Securing all drawers right at the front with Central Key Locking System.
5. A smooth workflow facilitated by Soft-close Ball Bearing Drawer Slides.
6. One-clip accessory attachment with Accessory Bar.
7. Spills retained on the worktop with Raised Front Rim.
8. Worktop also available in Stainless-steel.
