

# FULL FUNCTION POWER ELECTRIC WHEELCHAIR

## FULL FUNCTION POWER ELECTRIC WHEELCHAIR

### DESCRIPTION

Power chair with Fully functional adjustment is suitable for all people, giving you the most comfortable experience.

Initially, we wanted KS01 to be a lifestyle platform for people with disabilities, with unlimited possibilities. The overall structure is constantly optimized so that the body can be divided into three parts, making it easier to travel. The armrests can be turned up and down to give more room for movement. Meticulous measurement of 6 parts of the body to create the most intimate custom service.
