Field Dressing Small 4" Emergency Bandage

DESCRIPTION

The RHINO Emergency Trauma Dressing consists of a resilient elastic wrap equipped with a sterile non-adherent pad, durable securing device and innovative Quick-Grip Roll Control configuration. This combination facilitates a rapid, controlled, and extremely effective application process in the most demanding conditions. It can also be used to sling and swath an arm, to secure splints to an extremity or to perform in any other function requiring an elastic wrap.

FEATURES

- Double-layer vacuum packaging ensures that the product is not contaminated.
- Sterile bandage suitable for applying immediate direct pressure
- Simple application that is easy to remember under combat/survival stress
- Omission of pressure bars and hooks to moderate the use of fine motor skills
- Quick-Grip Roll Control tabs to prevent the bandage from unrolling during application
- Vacuum-sealed, low-cube packaging, red tear notches

SPECIFICATIONS

- Type: Quick clot
- Place of use: Family, outdoor, military
- Weight about: 110-170g
- Product available sizes: 4" , 6" and 8"
- Packing List: 1 bandage
