

MEDSURGE WILDERNESS AND EXPEDITION FIRST AID KIT

The Medsurge Wilderness and Expedition is made for professional guides in charge of large groups on extended trips. It is made for professionals out there working in the wilderness. An extensive and deeply stocked array of medications, bandages, and dressings address day-to-day minor injuries and illnesses, while a selection of hospital-quality tools provide more advanced care. A 600-denier nylon bag with many compartments, the kit is suitable for the most terrestrial environments.
