

RHINO RESCUE

Israeli Style Emergency Bandage

RHINO RESCUE Israeli Style Emergency Bandage

Product Description

The Rhino Rescue Emergency Dressing consists of a resilient elastic wrap equipped with a sterile non-adherent pad, durable securing device and innovative Quick-Grip Roll Control configuration.

This combination facilitates a rapid, controlled, and extremely effective application process in the most demanding conditions.

It can also be used to sling and swath an arm, to secure splints to an extremity or to perform in any other function requiring an elastic wrap.

Pressure Applicator

Creating immediate pressure to the wound site.

Closure Bar

Enable closure and fixation of the bandage at any point.
