technics for life

## ALUMINIUM WALL FIRST AID BOX

### DESCRIPTION

The Occupational First Aid Kit with Metal Case contains essential first aid items that might be needed in the event of a workplace injury or accident. The case is wall mountable so you can keep it in a convenient and easily accessible location.

## **FEATURES:**

- Metal Cabinet
- Contains over 100 essential first aid items
- Assists with the workplace rating of 'high risk' under the Safe Work Australia First Aid Code of Practice
- Can be used to treat burns, fractures, eye injuries, bleeding and more
- Comes with a 'register of injuries' book and pen to assist you in identifying and treating injuries
